

Michiana Echo Soccer Club | Emergency Action Plan

Last updated March 16, 2019

In the event of an emergency, this Emergency Action Plan (EAP) is designed to help parents, guardians, and club personnel respond in a responsible way.

Echo Soccer Fields Addresses

Harris Township Park: 10420 Brummitt Rd, Granger, IN 46530

Nearest intersection: Beech Road and Brummit Road

Prairie Vista: 15400 Brick Rd, Granger, IN 46530

Nearest intersection: Brick Road and Fir Road

Nearest Hospital

St. Joseph Regional Medical Center

5215 Holy Cross Pkwy, Mishawaka, IN 46545

When an injury occurs:

- Control the environment so that no further harm occurs (stop all athletes and keep spectators back)
- Assess Injuries

When to Activate EAP?

- No pulse
- No breathing
- Bleeding profusely
- Impaired consciousness
- Injuries to back, neck, and head
- Major trauma to a limb
- Cannot move or feel limbs
- When you believe you should

How to Activate the Emergency Action Plan?

- Call 911 or tell someone to call and relay the information about injuries
- Provide First Aid / seek help with first aid / STABILIZE athlete
- Gather facts by talking to injured athlete and anyone who witnessed incident
- Stay with the injured athlete and try to calm him/her

EAP (Once the player is Stabilized):

- Have an Emergency Medical Form of the player ready for paramedics (with team manager).
- Notify parents or guardians if not on the scene.
- Take Notes of player's name and injuries, hospital name, time, location, witnesses, and referees.
- Contact Michiana Echo (info@michianaecho.com) to make a record of the event.

First Aid Kits are located at Echo Training Center (on wall), Prairie Vista (shed), and Echo Fields (shed).
